If you borrow any tables or chairs from the church for use at home, please be sure to return them quickly. We don't have as many tables as we used to and they are always needed in the building. We will have to borrow tables from other wards for our Christmas Party. Please note: the new plastic banquet tables are **not** to leave the building for personal use. Please return the table rounds and tablecloths quickly also. We can only have these available for everyone if they are returned promptly.

The Young Women have a Christmas Service Project that they'll be doing on December 13th. They plan on taking hats, gloves and scarves to the people who live at the Hillcrest Care Center. They would appreciate any donations of new or good used hats, gloves, and scarves that they may take to these people. Very small-sized gloves probably wouldn't work well for older hands to fit into. Please bring any donations you may have to Susan Johnson, Marjan Fairclough, Melanie Herrmann, or Barbara Sanderson.

## ONE SOLITARY LIFE

Here is a man who was born in an obscure village, the child of a peasant woman. He grew up in an obscure village. He worked in a carpenter shop until he was thirty, and then for three years he was an itinerant teacher. He never wrote a book. He never held an office. He never owned a home. He never had a family. He never went to college. He never traveled, except in his infancy, more than two hundred miles from the place where he was born. He never did one of the things that usually accompany greatness. He had no credentials but himself. While he was still a young man, the tide of popular opinion turned against him. His friends ran away. One of them denied him. He was turned over to his enemies. He went through the mockery of a trial. He was nailed upon a cross between two thieves. His executioners gambled for the only piece of property he had on earth, his seamless robe. When he was dead, he was taken down from the cross and laid in a borrowed grave through the courtesy of a friend. Nineteen wide centuries have come and gone, and today he is the centerpiece of the human race and leader of all human progress. I am well within the mark when I say that all the armies that ever marched, all the navies that ever were built, all the parliaments that ever sat, and all the kings that ever reigned, put together, have not affected the life of man upon this earth as powerfully as has this one solitary personality.
