

WILLOW CANYON 1st WARD

OCTOBER 2010

PRAYER

Prayer is our theme.

The following true story was told by Barbara Perry Haws, daughter of Elder L. Tom Perry:

"One day I received a long-distance call from my brother. I could tell something was wrong because his voice was serious and my brother is rarely serious. He told me that our mother had just suffered a stroke and was in the hospital. The fear I felt was heightened because I was a long way from home. The only thing I could do was pray. After I prayed, I felt such a warmth go through me that I knew everything would be all right. But a few minutes later I received another call. It was my dad; my mom had passed away. At first I could not believe it because the feeling that all was well was so definite. I later realized that everything was as it should be; my mother had lived rather comfortably with cancer for almost four years—long enough to see my father be called to the Council of the Twelve. But that fourth year the cancer was beginning to cause a lot of trouble. She died calmly thirty minutes after the stroke hit. She had lived a full, beautiful life. When I prayed for her I did not know about the expectation of her death or the trouble she was having. So my prayer was definitely answered and everything was all right."

Why did Sister Haws feel such a warmth that everything would be "all right?" She thought this warmth and comfort meant that her mom would be all right. What did "all right" mean? I like this story because this has happened to me. I have received a warm feeling that my prayers were answered ... answered how I wanted them to be answered. Consider the scripture Alma 37:37: "Counsel with the Lord in all thy doings, and he will direct thee for good ..." This is an interesting phrase: "Direct thee for good." What is good considering the Lords omniscience may not be the same as your idea of what is good for you. Most of us have learned this lesson many times. Most of us have probably forgotten this lesson many times. And I share my testimony that the Lords answer to our prayers is always right, if not sometimes hard.

We love and pray for each of you. As a bishopric we are aware of your health, emotional, financial and spiritual concerns. We consider you individually by name in our prayers and we are grateful for your prayers.

Love,

The Bishopric.

MUSIC

Singing praises to the Lord is a prayer. There are many who say they don't have a singing voice. That should not keep them from mouthing the words of the Hymns. Hymns carry such a powerful message.
