JUNE 2011

SCRIPTURES

One of the many lessons the Lord taught the children of Israel was that just like the manna he provided so they would not starve physically, that his words were just as vital for their sustenance and safety—

“And he humbled thee, and suffered thee to hunger and fed thee with manna, which thou knewest not neither did thy fathers know that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the Lord doth man live.” Deut 8—3)

At this time the Children of Israel did not have volumes of scripture in their personal possessions. They could just

Take in what was being taught by revelation through their leaders. How blessed we are today to live in the age of this printing press and now the digital age. The Word of God literally at our fingertips. We have study supplements like the Topical Guide and the Bible Dictionary that can make us experts on any gospel topic.

Do we use these scriptures and the study tools to our advantage? Do our children know we love the scriptures and in turn they will love them too? Here is a great explanation of why we should love the scriptures.

“In the end, the central purpose of all scripture is to fill our souls with faith in God the Father and in His Son Jesus Christ—Faith that They exist, faith in the Father’s plan for our immortality and eternal life, faith in the Atonement and Resurrection of Jesus Christ which animates this plan of happiness, faith to make the gospel of Jesus Christ our way of life, and faith to come to know “The only true God and Jesus Christ whom {He has} sent. (John 17:3)

Please consider the “Book of Mormon Challenge” this year as part of your scripture study. If you feel you have been struggling in your zeal for reading the Word of God, I promise this will bring new life to your desire and send your spirit soaring in the right direction.

We love you and appreciate your dedication and service in the Kingdom of God.

## HAPPY FATHERS DAY TO ALL THE FATHERS IN THE WARD

### Ephesians 6:4

“And ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.”

The father is the provider, the defender, the counselor, the friend who will listen and give support when needed. Who better than an exemplary father to effectively teach children the value of education, the dead end nature of street gangs, and the miracle of self-esteem that can change their lives for good?

Gordon B. Hinckley

## RELIEF SOCIETY

**Spring/summer is finally here and the weather is telling us so. The rain has stopped and there are blue skies. What a wonderful thing. How nice it is to be able to get outside and enjoy the good weather and all of the spring flowers. It is also a good time to visit with each other as we are outside. It is also a good time to appreciate all that our Heavenly Father has provided for us.**

**We would like to thank Caroline Arnold Lambert and Shelly Glauser for their demonstrations on how to make authentic French bread and fun hair braiding and rubber band work. I know that all of the girls enjoyed having their hair done and showing it off. We do have some more fun things planned for June. On the 16th, there will be a Temple Square outing. We will meet at the church at 5:30 and have dinner at the Nauvoo Cafe for dinner. On June 10-11, the Stake will be having a Young Single Adult overnight activity for all single sisters who have graduated from high school to age 30. Meet at the Stake Center at 6:00 pm on June 10th to drive together to Connie Slaughters cabin. Bring your own sleeping bag and pillow. Dinner and breakfast will be provided. ## EMERGENCY PREPAREDNESS

During the Sunday morning session of general conference Bishop H. David Burtons address was on the Sanctifying work of welfare. He stated that the welfare program is the result of a revelation by the Holy Ghost to President Grant. One of the distinguishing characteristics of this inspired gospel-centered endeavor is its emphasis on personal responsibility and self-reliance. The Church has taught that families--to the extent they can, need to assume responsibility for their own temporal welfare. Avoid debt, implement principles of thrift, and prepare for times of distress. Knowing that this program has been inspired for our well being, where are we on the self-reliance scale? It has caused me to stop and take a better look at where I am and there is indeed room for improvement. We have unfortunately, seen hard times come to ward members and we know that as part of this life hard times will continue. If we are as prepared as we can be, we will be able to take care of ourselves and others and find joy in this life. May we follow the counsel of the brethren and be as prepared spiritually and temporally as we possibly can for what ever life brings to us.

## fun run and fitness walk

2004,2005,2006,2007,2008,2009,2010, June 11th, 2011

Announcing the 8th annual Willow Canyon 5k fun run and fitness walk

This is your invitation to participate in our local 5k. Through local support we have been able to offer this as a free event. Our goal is to invite members of our community and friends to join together in an event which promotes a healthy lifestyle. It's location was chosen to be family friendly so that children and adults alike could participate.

The course will be the same as last year, looping around the LDS Church located at 9636 S 1700 E and the community property located directly west. We will make a total of 4 loops on what is a very level course. Our current record holder is Miles Batty, currently a track and field athlete at BYU who completed the course in just over 15 minutes in 2004.

The start line will be at the LDS Church on the northeast corner of the property. The start time is 7 am sharp. Parking is also available at the LDS Church. We will be able to accomodate 200 participants this year and encourage you to submit your entry as early as you can. Priority will be given to the earliest entries as well as past participants.

This year we will be offering a limited number of free T-shirts with our logo as a part of our event. If your registration is among the 50 earliest ones recieved, we would like to give you a shirt. We will also have shirts made for anyone else who would like one at a cost of \$7.00. They would need to be pre-ordered by May 15th.

Last minute registration will be held at the start location Friday June 10th at 7pm as well as Saturday June 11th from 6am - 6:30am. Barcode pickup will be held during these times as well. (note: you will need a barcode if you are in the competitive race) Please submit entries via email to: stefanwells@juno.com or via mail to: Race Director, 1415 E Eastpoint Dr., Sandy UT 84092

I certify that my health allows me to participate in a 5k run or fitness walk. Where necessary I have been seen by my physician to certify my ability to participate. I agree to abide by the rules of this event and to hold harmless the LDS Church and any volunteers who help to stage this event in case of illness or injury incurred as a result of participating.
