April 2025 – An Easter Gift

During this Easter Season,
as we ponder the Saviors expiatory sacrifice
and his glorious resurrection, it is only natural for us
to wonder how we might show Him our gratitude.

On the very first Easter, nearly two thousand years ago,
all mankind received a gift of inestimable value. Isaiah proclaimed,
‘He will swallow up death in victory; and the Lord God will
wipe away tears from off all faces’ Isaiah 25:8. While John declared,
‘I am the resurrection, and the life: he that believeth in me,
though he were dead, yet shall he live: And whosoever liveth and believeth
in me shall never die’ John 11:25-26.

Because He broke the bands of death, we each have the assurance
of immortality and the hope of life eternal. As such, we have much to be
grateful for. It is appropriate for each of us to ask ourselves what gift we
might proffer to the Lord as a token of our gratitude.

In a devotional in 1999, Elder Maxwell suggested ‘the...things we give to
God, no matter however nice that may be of us, are actually things he has
already given us.’ Instead, he proposes that we give something much more
meaningful. ‘The submission of one’s will is really the only uniquely
personal thing we have to place on God’s altar’ he said.

We invite all to consider how we might change our own will
to more perfectly align with the will of the Master.

As we put our trust fully in Him
may we have the promise of his peace.

"Spending more time in the temple builds faith. And your service and worship in the temple will help you to think celestial. The temple is a place of revelation. There you are shown how to progress toward a celestial life. There you are drawn closer to the Savior and given greater access to His power. There you are guided in solving the problems in your life, even your most perplexing problems."

Spiritual Thought

Easter is more than one Sunday each year. Easter is a time of renewal and a season to remember the love of Jesus Christ. He loved us so much that He suffered and died for us. Then, on the third day, He rose again. His Resurrection means we will all live again. As we seek to feel His greater love this season, when Easter Sunday arrives, we will experience a greater measure of the joy, gratitude, and peace that come from knowing that Jesus Christ lives.

As we enter into this Easter season let us reflect on the miracle of the Resurrection and what the means to us personally in our lives. By doing so, we will come to know our Savior more personally and feel the Joy of the gospel more in our lives. In the name of Jesus Christ, amen.

With love,

Brothers & Sisters, General Conference was such source of inspiration! I specifically noticed how a few speakers mentioned about the importance of Easter and that we need to commemorate a Christ focused Easter with our family and friends.

What does Easter represent to you? Have you pondered about it? How would like your children to remember Easter? What eternal blessings may Easter represent?

I love how Easter represents hope, a better new life, change for the better, leaving behind the imperfections. I love the fact that it comes with the most amazing weather (beautiful and warmer).

Elder Gerrit W. Gong mentioned this subject last weekend: "With Easter joy, we sing, "Death is conquered; man is free. Christ has won the victory." Christ's Resurrection frees us from death, from time's frailties and physicality's imperfections. Jesus Christ's Atonement also restores us spiritually."

Let's make Easter a day to celebrate Jesus' resurrection and hope for a better future.

We are having our ward and neighbors Easter celebration on April 19th at 9 a.m. at our chapel. We will have an egg hunt, Christ-centered messages, and a delicious breakfast. Come have fun with us and commemorate His Resurrection!
